
Expressions of Interest sought for membership of the AKTN Working Groups

Working Group speciality areas

| | | | | | |
|---------------------|---------------|------------|------------------------|-------------------|--------------------|
| Peritoneal Dialysis | Haemodialysis | Transplant | Chronic kidney disease | Trial Methodology | Glomerulonephritis |
|---------------------|---------------|------------|------------------------|-------------------|--------------------|

1. Purpose of the speciality Working Group

Working Group members provide scientific leadership in the sub-specialty, achieved through:

- Peer review of proposals submitted by the kidney care community
- Facilitation of research projects through collaboration with the kidney care community
- Generation of research ideas for development through the working group

2. Terms of reference for the Working Group members

Members:

- are appointed via an expression of interest and at the discretion of the Chair
- are required to attend quarterly videoconferences
- may be asked to attend additional meetings for peer-review or development of research proposals

3. Attributes of the Working Group members

- Kidney doctors, nurses, dieticians, advance trainees and PhD students are encouraged to apply.
- Possess a desire to advance the number and quality of clinical trials in kidney disease
- Have expertise relevant to Clinical Trials and (generally) a research output track record
- Be familiar with the AKTN and its research output

4. Benefits of AKTN Committee membership

- Involvement with AKTN research
- Have input into the scientific direction of the AKTN
- Publication and presentation opportunities

5. Appointment

Please email a one page application to workinggroups@uq.edu.au by 9th November 2021.

Your expression of interest should include:

- Which Working Group speciality you are interested in and why
- An outline of your relevant skills, track record and CV
- A suggested research topic for consideration by the Working Group

Nominations will be considered by current Working Group members, and successful members will be notified by the Chair.
